**Is compulsory from Queens Birthday Weekend to end of Term 3.**

Is optional from beginning of Term 4 until Labour Weekend in October.

### **Care Suggestions for Your White Shirts**

Please do not soak in bleach as this will remove the colour from the embroidery thread and overtime causes the garment fibres to collapse. Napisan along with all other spot stain treatments is fine if used in accordance with the products instructions. A small tip passed onto us by a grandmother was to place 1 or 2 soluble aspirins in each white wash. This helps keep whites whiter and reduce stains over time. If you try this tip please give us some feedback. Please note the threads used to embroider the school logo are produced in Germany and are the best thread on the market. The threads are of the same strength and durability as those of the garment and unless mistreated will last the garments life time.

## Cambridge Primary School Uniform
