

ADVENTURING & EXPLORING

- Challenge myself
- Having fun
- Motivation
- Risk taking
- Creativity
- Curiosity

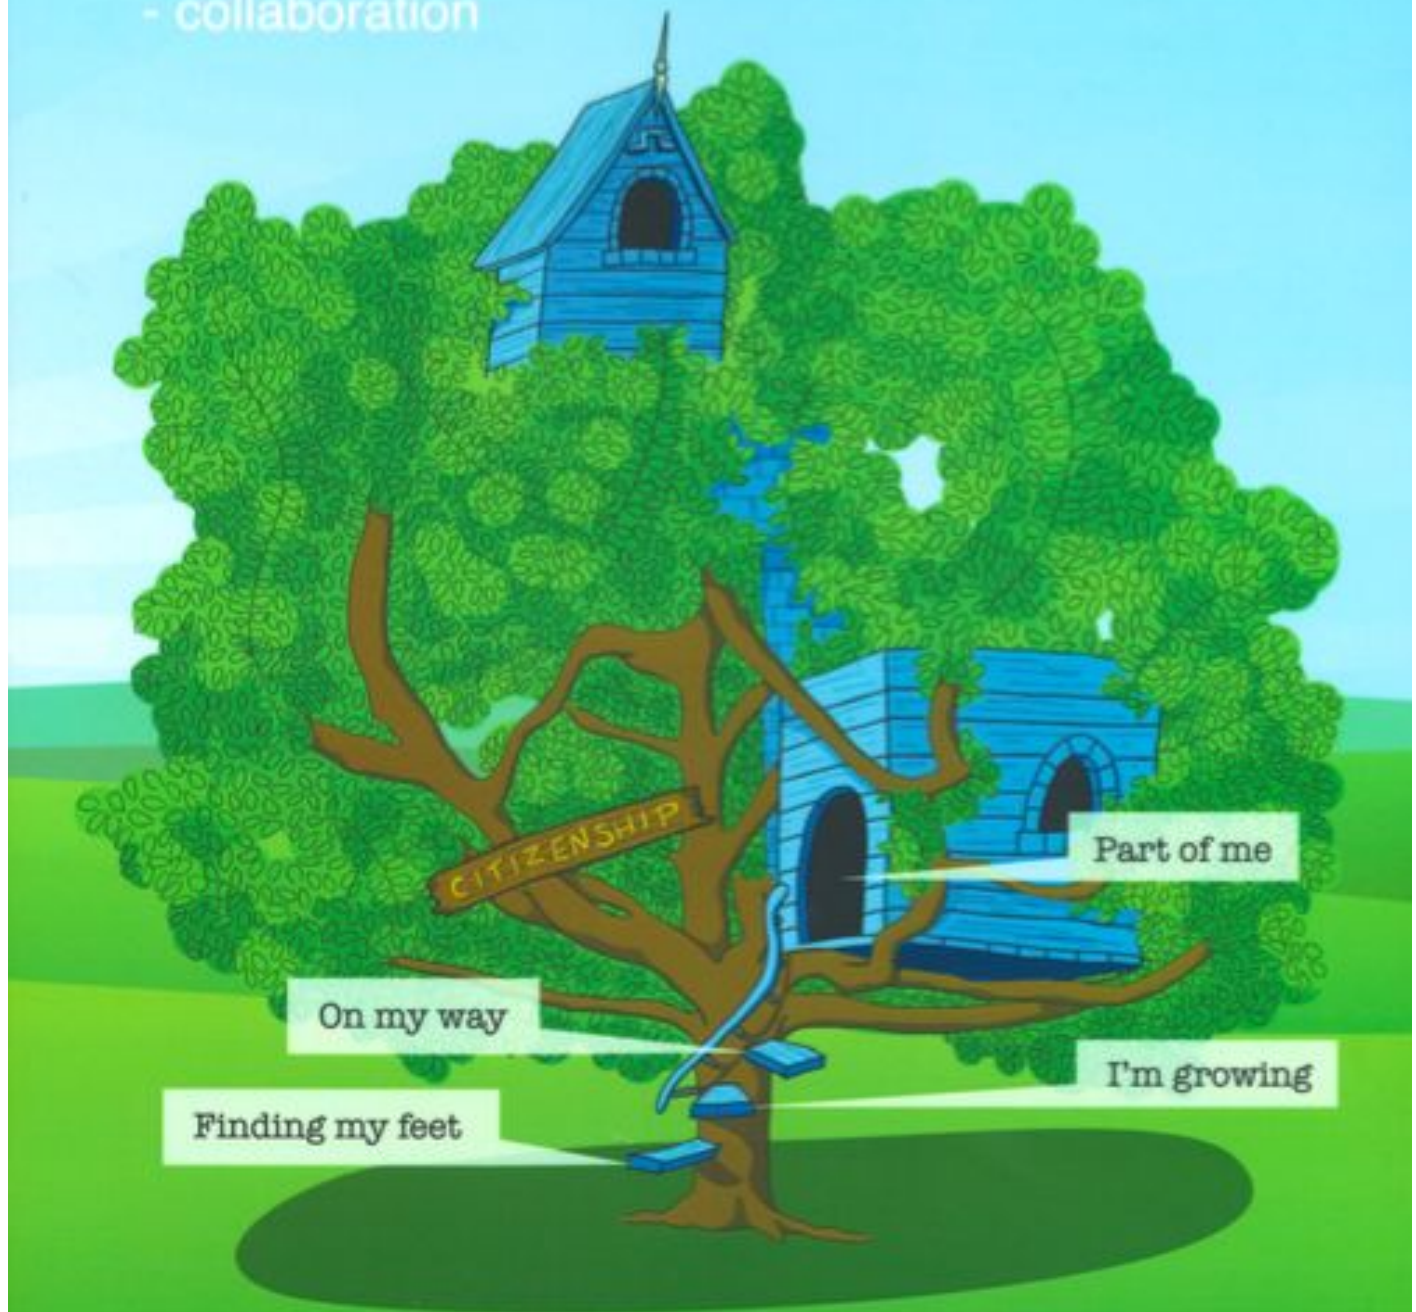

Exploring is practising and applying what I know
and celebrating my success.

Adventuring is creating and participating in new and exciting learning
opportunities from a variety of new experiences.

CITIZENSHIP

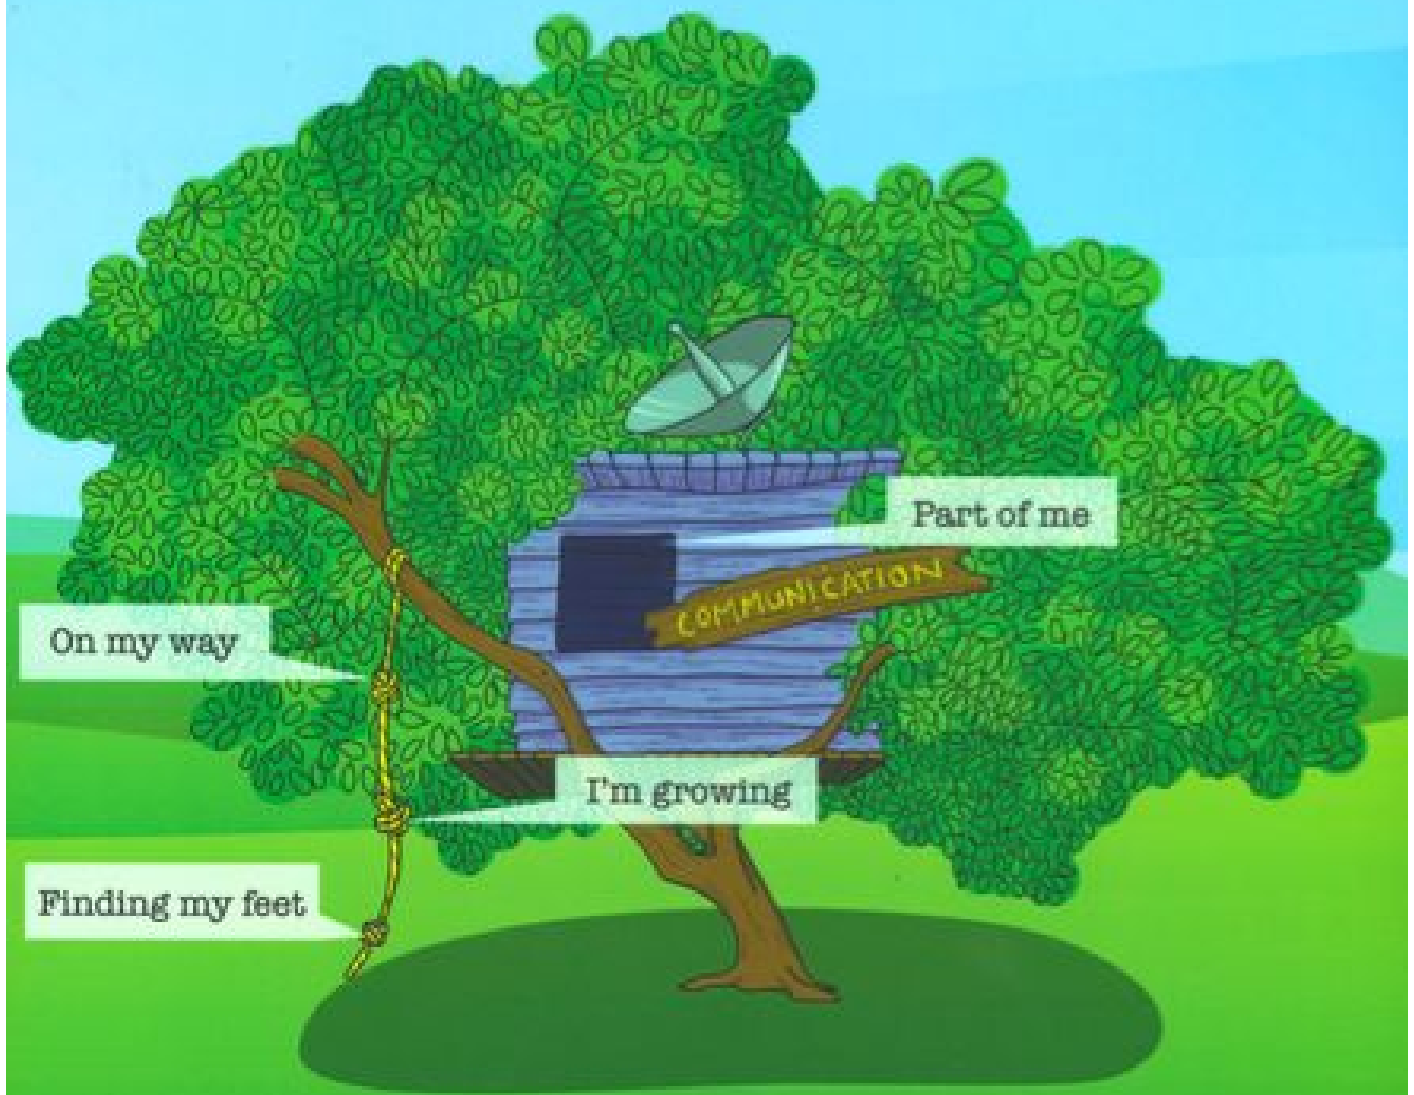

- Using manners
- Decision making
- Team work
- collaboration
- Empathy, caring, tolerance
- Respect for self, others
and environment

Citizenship is relating well to others in all contexts.
A good citizen makes a positive difference.

COMMUNICATION

- Global and local
- Used in many different ways
- Verbal and non verbal
- Responding effectively and appropriately

Communication is effectively sharing and responding appropriately, in a variety of ways.

THINKING

- Questioning
- Connecting
- Reflecting
- Inquiring

Thinking is being curious to enquire and question what is presented to me.

It is connecting and critically reflecting on mine and others thinking.

SELF-IDENTITY

- Digital footprint
- Self discipline
- Knowing myself
(Who I am as a learner, a citizen, a group member, where I belong, my strengths and weaknesses)
- Self Belief
- Responsibility
- My character
(What I do, what others perceive of me, your 'brand')

Self-Identity is knowing myself and how I am perceived by others in a variety of situations.
